The Interim Principal shall be eligible to receive benefits and shall be subject to other conditions of employment as set forth in the Policies of the Essex North Shore Agricultural & Technical School District, as may be from time to time modified by the Committee, Superintendent-Director, and the General Laws of the Commonwealth. Modification of such conditions shall not constitute a breach of the contract or any extension hereof.

5. Duties and Responsibilities

Ms. Donnelly shall faithfully and effectively perform the duties contained in the job description of Principal. The Interim Principal recognizes that her responsibilities and conduct are not determined by prescribed hours and conditions and will perform the directed and implied duties of her position as determined by the Superintendent-Director and will expend the time and effort necessary to effectively achieve the goals and purposes of the Essex North Shore Agricultural & Technical School District.

C. Personal Leave

Ms. Donnelly will be provided with four (4) personal days with pay per year. The Interim Principal may not take personal days on the day before or after a holiday, the day before or after a vacation period, or during the last ten (10) days of the student school year except in urgent circumstances with advance approval by the Superintendent-Director. At the end of the fiscal year any unused personal leave will be converted to sick leave.

F. Sick and Personal Leave Buyback

If the Interim Principal uses fewer than ten (10) sick and/or personal days in a school year she shall, upon written request to the Superintendent-Director (no later than June 30 following the close of school) be compensated at the rate of \$100 per day for the difference between the number of days used and ten (10), or any part thereof. Payment for such days shall be made no later than the first paycheck in August in the next school year.

G. Sick Leave Buyback

Should the Interim Principal retire during the life of the Agreement, she shall receive payment for such unused days calculated at the rate of twenty-five percent (25%) of the per diem rate in effect at the time of retirement up to a maximum of 120 sick days.

H. Vacation

During each fiscal year the Interim Principal shall be entitled to twenty-five (25) vacation days, exclusive of legal holidays, sick leave, personal days or bereavement leave. These carried over days must be used in the subsequent contract year, but cannot be carried over further.

I. Longevity

The Interim Principal may be subject to discharge only for good cause for inefficiency, incompetence, incapacity, conduct unbecoming, insubordination or other "good cause." The Superintendent-Director shall provide the Interim Principal with the notice of the charges of the proposed discharge and she shall be entitled to a hearing before the Superintendent-Director, with legal representation, prior to any final decision being made.

K. Severability

It is understood and agreed by the parties that if any part, term or provision of the Agreement is held by the courts to be illegal or in conflict with any law of the Commonwealth of Massachusetts, the validity of the remaining portions shall not be affected and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the particular part, term, or provisions held to be invalid.

11. Indemnification

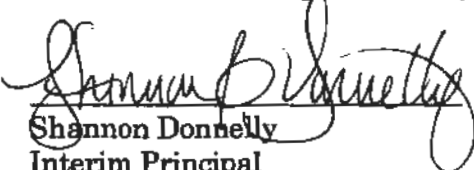

The District shall indemnify, hold harmless and defend against any claim liability, demands, judgment or other legal action whether groundless or otherwise arising out of or relating to the Interim Principal's performance of her duties in accordance with state law and in accordance with coverage under the District's insurance policies. The District shall continue to so indemnify, hold harmless and defend the Interim Principal even if such claim or legal action has been commenced following her termination, resignation or the expiration of her employment, provided that the Interim Principal provides full cooperation with any claim or legal action. The District may compromise and settle any such claim or legal action and shall pay the amount of any such settlement or final judgment rendered thereon.
