

Essex North Shore Agricultural & Technical School
Application for Student Parking Permit
2019-2020

SENIOR PARKING PERMITS APPLICATION SUBMISSION

August 5-8

9:00AM – 1:00PM

JUNIOR PARKING PERMITS APPLICATION SUBMISSION (if available)

August 12 – 15

9:00AM – 1:00PM

HOW TO OBTAIN

Priority for student parking begins with licensed seniors in good standing. If space allows, licensed juniors will be assigned parking spaces. Sophomores will not be permitted to park on school grounds until the seniors have graduated.

Parking permits will be issued to a student as an individual conditional privilege. A revocation can occur whenever rules pertaining to parking permits are violated. Parking spaces are subject to review, and the location of an assigned space can be changed by administration. Students are not at liberty to allow other students the use of their assigned spaces without prior written permission.

Students will not be issued a parking permit until they have paid their class dues, \$180 parking fee and completed the parking permit form.

RULES & REGULATIONS

Only motor vehicles with a school-issued parking tag will be allowed in the student parking lots.

Upon arrival to school, students must allow time to move from the parking lot to their homeroom by 7:50AM.

All operators and passengers of motor vehicles are required to properly fasten safety belts while on school property.

Students are not allowed to go to their car during school hours without the expressed permission of a school administrator and an escort to the student parking lot.

Parking in unauthorized areas, including the faculty lot, the visitor parking lot, side access roads, and the ice rink, will result in a loss of parking privileges. Violations are subject to ticketing and/or towing; disciplinary action may also be taken.

Motor vehicles are not to be used for any purpose during the school day without administrative authorization. Students who use their cars without authorization, e.g., leaving school without permission, will lose their parking privilege.

Students are expected, in accordance with state law, to yield the right of way to school buses and pedestrians at all times.

Student's motor vehicles must be parked between the painted lines only.

REVOCAATION

There should be no expectation of privacy relative to vehicles parked on school property. Cars parked on school property are subject to search at any time by the administration.

On occasion, the Police Department and School Administration may choose to have trained dogs check motor vehicles in the student parking lot for contraband. The student owner/driver of a car containing illegal drugs, alcohol or other illegal contraband will be held responsible and is subject to disciplinary action.
