

## **Spring 2019 Program Advisory Committee Minutes**

**Program: Plumbing**

**Date: 4/2/19**

**Members Present:**

**Program Facilitator:** James Russell

**Committee Chair:** Jeff Beane

**Subject: Portfolio**

**Discussion: Brian Bilo volunteered to sit for Portfolio day**

**Subject: Student enrollment/placement**

**Discussion: Some of the members did not understand the enrollment process or the placement process. We then had a lengthy discussion and explained total enrollment in school, waiting lists to get into school, waiting lists for plumbing shop, exploratory process, etc. Many members were surprised on the popularity of shop and selection process.**

**Subject: New trends/ Employment outlook**

**Discussion: Tom Fullerton talked about boiler innovations. Karl Jacobsen talked about changes in the plumbing code coming soon. Jeff Beane commented on how impressed thier company is with the current Coop students. Brian Bilo also felt the same about his coop experience.**

**Subject: New Business/ Recommendations**

**Discussion: Jamie Jalbert talked about current business and how his daughter loved being in Plumbing Shop. We asked all members for recommendations**

**ESSEX NORTH SHORE**  
AGRICULTURAL & TECHNICAL SCHOOL

**For skills or lessons they would like to see taught. They suggested basic welding and underground piping.**
